

Exciting Local Sponsorship Opportunity

Old Rutlishians Cricket Club, situated in SW19, has over 1500 local members.
Advertise with us, sponsor us, be part of our vision for the future.

The Old Rutlishians is an open, friendly and progressive cricket club based in Merton Park. It is part of the Old Rutlishians Association (ORA) which boasts over 1500 members and additional friends of the club. Our Club has achieved great success in recent seasons, with several teams gaining promotion, and we aim to continue this recent success. We also have a thriving colts section, with just over 300 member families.

We are offering your organisation a fantastic opportunity to gain considerable exposure.
Advertising opportunities for your business include:

- placement on a large (3ft x 9ft) **advertisement board** on the perimeter of our home ground;
- placement in our **monthly newsletter** which goes out to all members of the ORA and circulated online;
- display within the ORA **clubhouse** and our **fixture card**;
- inclusion in our **colts newsletter** which goes out to over 300 local families; and
- company logo uploaded onto our **new website** with a link to your homepage and a description of what services your organisation offers.

Our Club's large membership, weekly opposition, parents and friends of the colts, means the Old Rutlishians has a weekly footfall of around 900 different people. This means **your business will receive great coverage**. If you are interested in this opportunity, sponsorship for the club will be £250 for the year with no extra costs. Sponsorship can be renewed yearly at a lower cost.

Don't just take our word for it!

"The local community is really important to us at WimbledonSW19.com. Sponsoring ORCC led to an up-turn in our local profile amongst local families. It really is a great club and this is an excellent opportunity to help your business grow."

"We were looking to increase our profile within south west London and sponsoring ORCC helped us do that. Sponsoring an excellent club like the Ruts has helped us generate interest in our business and lead to increased custom!"
